

AmeriCorps SBCEO

Company Description

The Santa Barbara County Education Office is an intermediate agency between the California State Department of Education and the 23 school districts and two community colleges that are located within the county's boundaries. K-12 enrollment this year is 63,346 students. The mission of the County Education Office is to provide service and leadership in the areas of students, teachers, and finance. View related programs administered by the Santa Barbara County Education Office

The Career Education Programs department at the Santa Barbara County Education Office serves students, schools, and the community in the areas of career preparation, job training, work experience, service-learning, and school-community partnerships. We administer and promote dozens of programs throughout Santa Barbara County.

Description of Positions

The AmeriCorps program is a great way to serve and learn. 36 AmeriCorps Members each serve 1700 hours (11 months) -tutoring in schools, volunteering with community groups, assisting with emergency preparation, and gaining invaluable training and experience.

Tutors currently serve in 19 schools throughout Santa Barbara County from Carpinteria to Cuyama and receive a living allowance of \$11,000, an Education Award of \$4725 (when 1700 hours are successfully completed). In previous years, our Member Team has been extremely diverse, ranging in age from 17-79 years old, some having only a high school degree and others with college degrees and many years of teaching experience. A few Members are already fully retired and simply interested in working one-on-one with children in the schools. What all of the Members have in common is a passion for making a difference in the lives of our young people and our communities.

Members enthusiastically report that their year of service offers them new skills, experience, and often a whole new focus or direction in life.
